The Government's possession or use upon substantial completion shall not be deemed an acceptance of any work under the contract.

Final completion and Acceptance**Definitions:**

(a) "*Final completion and acceptance*" means the stage in the progress of the work as determined by the Contracting Officer and confirmed in writing to the Contractor, on which all work required under the contract has been completed in a satisfactory manner, subject to the discovery of defects after final completion, and except for items specifically excluded in the notice of final acceptance.

The Contractor shall give 24 hours notification in advance to COR who will consider any deviation from the hours identified above.
